Movie Night: August 7, 2018

Does it make you mental seeing how hypnosis is portrayed in the media? Do you love a good comfy pants and movie night?

On the first Tuesday of each month, CACHE is hosting a hypnosis movie night. We will bring snacks, make popcorn and watch a movie that depicts hypnosis and then discuss it afterwards. The discussion counts towards your continuing education hours.

Zoom attendees are welcome. How will that work? We will provide you access to the movie, you watch it in advance and then we will Zoom you in when we are starting the discussion.

Show up to the Horizon Center by 7 pm to get comfy. Movie will start promptly at 7:15. August we will watch *Trance* (2013), so discussion will start at 9:00pm. All are welcome, CACHE member or not!
