Times of Reflection

As we end another year, we look back on all the accomplishments that our growing association has made;

- Updating our website to a bigger, more user-friendly platform,
- The instigation of new events like book clubs and movie nights,
- Development of the CACHE newsletter, to keep all members informed of important news and events,
- A new online application process for new members, including an online written exam,
- The development and acceptance of bylaws, constitution, and policy.

All of these accomplishments will help CACHE and our members by providing a solid foundation for us to grow. We are aiming to keep everyone as informed as possible, to be as involved as they want to be, and we want to provide a community for our members to connect in. If you have any input, or comments on how CACHE could work to support you in your Hypnotherapy practice, please get in touch with us.

Times of Transition

As we begin another year, we at CACHE are also transitioning. If you were at the AGM or listened to the recording from Linda Campbell, Cache president, then you are aware that CACHE is planning to move in a different direction. As we move forward, away from FACT BC and towards new hypnotherapy specific goals, we will keep everyone updated as much as possible, and look forward to brainstorming new ideas in the coming year on how this will be executed.

HAPPY HOLIDAYS FROM CACHE

We hope your holiday season is filled with joy, laughter, family and friends.
